## MITCHELSTOWN PARISH & COMMUNITY NEWSLETTER

### **MEDIUGORIE:**

Medjugorje was in former Yugoslavia, following the war of the 1990's it is now part of Bosnia Hercegovina. Medjugorje became known throughout the world because, on the Feast of St. John the Baptist, 24<sup>th</sup> June 1981, six young people claimed they saw the Blessed Virgin Mary on the hillside there. Three of that group of young people claim, that since then they continue to see our Lady every day, wherever they are in the world. The other three young people no longer have the daily apparitions, but do so at specific times throughout the year. At present an internationally formed commission by the Church is examining the events, which have now continued for over 29 years.

All the young people involved are now married with children. The Parish is directed by the Franciscan Community. Over twenty million people have visited the area, which has now expanded beyond all recognition since the events began. It is perhaps true to say that in the early years great world media attention was given to the events, now they are almost taken for granted, except of course when controversies arise. Medjugorje has many believers throughout the world, but there are also critics and unbelievers as well. I first went there twenty five years ago and from the beginning I have always believed, because of what I felt and experienced, but, of course, I shall respect the final decision of the Church.

What are the messages over 29 years? They are very simple. The young people claim that she announced herself as the Virgin Mary, Queen of Peace. She has come to tell the world that God exists and to call everyone to conversion, through prayer and fasting and to open their hearts to God, who is the true source of Peace and Joy.

Sample from recent message: July 25<sup>th</sup> 2010 "You are not aware, dear children, that without Jesus you do not have joy, peace, nor a future or eternal life. Therefore, little children, make good use of this time of joyful prayer and surrender." In various ways this message has been repeated in a motherly tone for 29 years. For full details of the apparitions, there are several websites with full information.

By tradition, the Catholic Church dedicates each month of the year to a certain devotion. In August, it is the Immaculate Heart of Mary. The Immaculate Heart is often venerated together with the Sacred Heart of Jesus. Just as the Sacred Heart represents Christ's love for mankind, the Immaculate Heart represents the Blessed Virgin's desire to lead all people to Christ.

In this prayer in honor of the Immaculate Heart of Mary, we ask the Blessed Virgin to guide us in our journey, so that we might receive the graces necessary to live virtuous lives and to persevere at the hour of our death.

**In Honor of the Immaculate Heart**

O heart of Mary, mother of God, and our mother; heart most worthy of love, in which the adorable Trinity is ever well-pleased, worthy of the veneration and love of all the angels and of all men; heart most like to the Heart of Jesus, of which thou art the perfect image; heart, full of goodness, ever compassionate toward our miseries; deign to melt our icy hearts and grant that they may be wholly changed into the likeness of the Heart of Jesus, our divine Saviour. Pour into them the love of thy virtues, enkindle in them that divine fire with which thou thyself dost ever burn. In thee let Holy Church find a safe shelter; protect her and be her dearest refuge, her tower of strength, impregnable against every assault of her enemies. Be thou the way which leads to Jesus, and the channel, through which we receive all the graces needful for our salvation. Be our refuge in time of trouble, our solace in the midst of trial, our strength against temptation, our haven in persecution, our present help in every danger and especially at the hour of death, when all hell shall let loose against us its legions to snatch away our souls, at that dread moment, that hour so full of fear, where on our eternity depends. Ah, then most tender virgin, make us to feel the sweetness of thy motherly heart, and the might of thine intercession with Jesus, and open to us a safe refuge in that very fountain of mercy, whence we may come to praise Him with thee in paradise, world without end. Amen.
