A Word Of Thanks: All our Primary School Children and their Teachers begin their summer break this weekend. We wish them all a safe and a happy holiday. We also wish to thank the Principals and their staff in all four Primary Schools of the Parish, for the wonderful dedicated work they do throughout the year. We thank too, the Secretaries and the Caretakers, for being so helpful and supportive. As a Parish, we are blessed in our schools and in the faith formation given to the children. As Catholic schools all the children of the Community are cherished, be they Catholic or not. We also thank the members of the Boards of Management and the Parents Associations, for making our schools such vibrant places of education for our children. Our Primary Schools are examples of a Community working together for the Spiritual, Social and Academic development of our children. We are grateful and proud of all you do in our Community. May God bless you all and grant you a wonderful holiday.

Children's Faith Camp: What is a Faith Camp? It is a four day gathering of children aged 6-13, boys and girls, to learn more about our Catholic Faith. It is done through stories, games, music, art and prayer. It is guided by Fr. Patrick Cahill and his Community and a group of parents and a large number of youth volunteers. All are vetted to work with children. It is a joyful event of happiness, love and peace. We are grateful to Fr. Patrick and the organisers, for providing the Camp here in Mitchelstown. Over the years it has helped many, many children to discover the joy of faith. Up to 100 children are expected to attend again this year. It is an opportunity not to be missed. The Camp will be held in Mitchelstown Town Hall, July $17^{th} - 20^{th}$. Contact Catherine Hanley on 087-7727496 to book a place.

The Mitchelstown Community Council have arranged, with the support of Dairygold Management, to the have the Annual Mass for the dead in Town, this year in the location of the cemetery where the **Old Workhouse was on Clonmel Road on Tuesday, July 25th at 7.30pm**.

We are grateful to Dairygold for facilitating the Parish to remember in a special way the dead who are buried in this location. This Mass will take the place this year of the Mass we usually celebrate in Brigown or the Adjoining Cemetery. But, of course, we will be remembering all who are buried throughout the Parish and in other cemeteries. We thank the Community Council for arranging the Mass and especially for giving recognition to this cemetery and the dead buried there. May the Lord be merciful to them all.

My Sons! Never Miss Holy Mass. The following TRUE STORY was related to Sr. M. Veronica Murphy by an elderly nun who heard it from the lips of the late Reverend Father Stanislaus SS.CC. One day many years ago, in a little town in Luxembourg, a Captain of the Forest Guards was in deep conversation with the butcher when an elderly woman entered the shop. The butcher broke off the conversation to ask the old woman what she wanted. She had come to beg for a little meat but had no money. The Captain was amused at the woman and the butcher. 'Only a little meat, but how much are you going to give her?', he wondered. 'I am sorry I have no money but I'll hear Mass for you, ' the woman told the butcher. Both the butcher and the Captain were indifferent about religion, so they at once began to scoff at the old woman's idea. 'All right then,' said the butcher. 'You go and hear Mass for me and when you come back I'll give you as much as the Mass is worth'. The woman left the shop and returned later. She approached the counter and the butcher said. 'All right then we'll see.' He took a slip of paper and wrote on it 'I heard a Mass for you.'He placed the paper on the scales and a tiny bone on the other side, but nothing happened.Next he placed a piece of meat instead of the bone, but still the paper proved heavier. Both men were beginning to feel ashamed of their mockery but continued their game. A large piece of meat was placed on the balance, but still the paper held its own. The butcher, exasperated, examined the scales but found they were alright.'What do you want my good woman? Must I give you a whole leg of mutton?' At this he placed the leg of mutton on the balance, but the paper outweighed the meat. A larger piece of meat was put on, but again the weight remained on the side of the paper. This so impressed the butcher that he was converted and promised to give the woman her daily ration of meat. As for the Captain, he left the shop a changed man and became an ardent lover of daily Mass. Two of his sons became priests, one a Jesuit & the other a Father of the Sacred Heart. Father Stanislaus finished the story by saying, 'I am from the Religious of the Sacred Heart & the Captain was my father.'From this incident the Captain became a daily Mass attendant & his children were trained to follow his example. Later, when his sons became priests, he advised them to say Mass well every day and never miss the Sacrifice of the Mass through any fault of their own.
