## **MITCHELSTOWN PARISH & COMMUNITY NEWSLETTER**

### **LET'S NOT BE AFRAID TO WITNESS TO OUR FAITH**

People today are not afraid to tell us over the air waves that they don't believe in God or they are a lapsed Catholic. Those of us who still consider ourselves as Catholics shouldn't be afraid to profess publicly our faith, for we possess a beautiful and wonderful gift. Young people tell me that they are mocked and ridiculed if they go to a prayer meeting or Bible class, and accuse them of going overboard with religion. Yet we can spend hours watching television, using the play station, using the computer etc. and no one says a word. We are all guilty of the same old of idolatry, any amount of time and devotion for the things of the world, but no time to honour and seek the Creator. How foolish we can be and yet without God we will never find true happiness and peace.

I encourage you all seek God more and more, and spend more time with Him. He is the source of peace in this world and of eternal life in the next. Fr. Michael

Trócaire's director Justin Kilcullen has extended a heartfelt 'Thank You' to the parishes of the diocese who collected for survivors of the Pakistan floods last month. "Over the last five weeks Trócaire has evacuated 20,000 people from the dangerous floodwater and is supporting about 100,000 people with food, clean water, shelter and hygiene kits. We will be able to continue our work thanks to your generous support. Despite our own economic crisis it is inspiring to see the unwavering empathy of people across Ireland towards those in most need. Your support will save lives and we thank you for it."
