A Family Member With Addiction: Did you know that there is a Free Confidential Service in Town? Mary Mackesy can be contacted at 086 - 043 9702 mary.mackesy@foroige.ie. Addiction to various things or substances can become a problem for any one of us. It can be food, drink, drugs, gambling, Facebook or whatever. When something takes over in our lives and causes hurt and harm to ourselves and others then it is important to talk to someone. The first step is to acknowledge there is a problem. If something is causing problems, it is a problem. Affected family and friends also need to get help to deal with someone who has a serious addiction problem. A lot of family members mean well by being generous to the addicted person, but often times this help only enables the person to feed their addiction. It is important to seek individual and group help. It is great having somebody like Mary available in Town, please do contact her if you need help or know someone who needs help.

Autumn Stations: The Station Masses will commence on Friday September 27th. Mitchelstown continues to maintain this very important faith event twice each year. We encourage you to keep it up. Thanks to all who help with the stations. It is a great help to Patricia in the office to let her know if there are changes or mistakes in the envelopes, please contact her on 025/84062 Monday to Friday 9am to 12noon.

MITCHELSTOWN CARMELITE LOURDES GROUP 15TH ANNUAL MASS

Location: Mitchelstown. Criteria: Must hold a herd Number

SUSTAINABLE DEVELOPMENT FOR COMMUNITY GROUPS AND SOCIAL

ENTERPRISES FETAC LEVEL 5 In this course, participants will explore key concepts such as
sustainability and quality of life, carrying capacity and sustainable communities. They will gain
awareness of the interconnectivity of development issues and systems (including environmental,
societal and economic) and develop abilities in problem solving, critical thinking, analysis,
facilitation and communication. Participants will draw up a vision of a sustainable community, set
sustainability indicators, carry out a life cycle analysis and develop a workshop on an
environmental issue of their choice, incorporating education for sustainable development
methodologies. Dates: Commencing 2nd October Wednesday evenings, from 2 October – 4
December, 6-9 pm; workshop days on Saturday 19 October and 16 November,
11 am – 3 pm; Cost: €70 per person. Location: Mitchelstown (to be confirmed)

WORDPRESS: Learn how to create your own interactive website for your community group.

At the end of the course participants will have to set up their own FREE website or blog which
they will be able to continue to use afterwards. Participants will learn how to change themes and
widgets in the sidebar, how to create posts and static pages. Participants on the course will be able
to upload photos to their posts and pages, create galleries and slide shows, and create a navigation
bar, categories and tags. They will also learn how to change personal settings, allow or disallow
comments and to fight spam. Ideal for PRO of community groups

Dates: Saturday 5th October (Full day) 10am-4pm. Cost: €25 per person.

Location: Mitchelstown
