### **POPE CALLS FOR RENEWED FAITH IN 'REAL PRESENCE'**

Pope Benedict has called on Catholics to renew their faith in the real presence of Christ in the Eucharist, reminding them of the words of the Curé d'Ars to his people: "Come to Communion. It is true that you are not worthy of it, but you need it!"

In his homily for the Feast of Corpus Christi Benedict said: "We must not take this faith for granted! Today we run the risk of secularisation creeping into the Church too."

Mass, he warned, can become "formal and empty worship", with celebrations "lacking that heartfelt participation that is expressed in veneration and in respect for the liturgy."

The Holy Father added: "The temptation to reduce prayer to superficial, hasty moments, letting ourselves be overpowered by earthly activities and concerns, is always strong."

He explained that in the Our Father the word 'daily' (epiούσιος) as in 'daily bread' can also mean, in Greek, bread 'of the world to come'.

It was, he said, sometimes seen "as a reference to the Eucharist, the bread of eternal life, the new world that is already given to us in Holy Mass."

### **Back to School!**

This coming week all our schools re-open. While it has been a disappointing summer weather-wise, I hope all schools staff and pupils enjoyed the break. As the school community face the beginning of another school year there is naturally a certain feeling of apprehension and maybe even fear. As we all know from experience after a couple of days we get back to normal again.

The Lord tells us not to worry about tomorrow but to handle all worries one day at a time. Begin every day by turning to God in gratitude and trust, ask His help and the help of the Blessed Virgin Mary and the Holy Spirit will give strength to do what needs to be done.

The C.B.S. Primary has asked us to remind parents that school finishes on Monday at 12.30 p.m. for a staff meeting.

God bless all our schools for the coming year and may it be a good one.

**More Facts Regarding the Eucharistic Congress**

- The Pope decides the theme for each Eucharistic Congress, taking into account the recommendations of the theological commission established by the Bishop of the host diocese. We hope to know the theme by the end of Summer 2009.
- Based on the theme a preparatory programme will be developed and offered to parishioners all over Ireland in the two years prior to the Congress. It will help to nourish our own understanding of and faith in the Eucharist so that we can participate more effectively in the Congress and welcome those who will come from overseas to celebrate the Congress with us.
- A Congress logo will be designed and a Congress "hymn" will be prepared to give expression to the theme.

***Final facts next week!***
